

**Raymond Glassberg**

Ray loves to have fun, no matter where or when it may be. The fun he has in the Varsity Club and Auto-Mechanics Club reflects Ray's great interest in sports and cars. Ray will certainly be successful—both in college and in having fun!

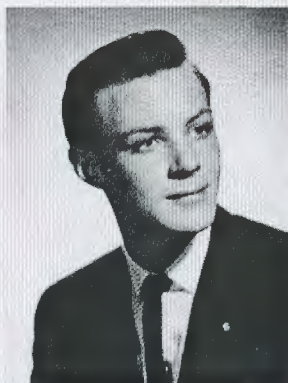

**Norman Glavas**

Do you know what Norman does in his spare time? This ingenious boy tape-records the Jean Shepherd Show from the radio and also writes comedy, songs, and poetry. After college, Norman wants to become a wealthy motion picture photographer and director, and drive around Hollywood in a bright, shiny Jaguar.

**Dennis Gleason**

Tall and good-looking Dennis is a true sportsman. Interesting to be with, he enjoys hunting, skin diving, and water skiing. After college and the service we wish Dennis luck in his desire to become a millionaire.

**Robert Gogolen**

Bob has two main goals:  
1) To run for the Presidency in '84.  
2) To be a physicist (until he reaches his first goal)  
Good luck, Bob, and maybe someday we'll be able to say that we knew President Gogolen back in '64.

**Lois Gold**

Smile and charm—that's Lois. We won't hesitate to tell you that she's quite vivacious. She won't hesitate to tell you anything about history. Lois's future plans are college and marriage, and we know that she will be successful in both of her goals.

**Eileen Goldman**

"Live in contact with dreams and you will get something of their charm; live in contact with facts and you will get something of their brutality. I wish I could find a country to live in where the facts were not brutal and the dreams not unreal."
