Description:

This database is an index to naturalization petition cards originally compiled by the New York County Supreme Court (in Manhattan, New York, U.S.A.) between 1907 and 1924. Each entry provides the applicant's name, address, date the card was filed, and reference information for the file location. Many records include whether the naturalization was "cancelled" or "denied" for the individual. It contains the names of over 136,000 individuals.
