Baseball

THIS year the Teaneck nine was headed by Coach Barney Finn. The team, with plenty of practice, spirit and good coaching put the team over. With Coach Finn at the head, every game was a good one regardless of the outcome. Catching was well taken care of by "Soup" Campbell. Pitchers Walt Heady and Dick Albera had good seasons, and the infield with sophomore star Ronnie Page at short, Ray Tevlin at first, Ed Tuite at second, and Hank Battaglia at third formed a strong inner defense. The outfield headed by "Red" Meyer in center, held up its end. Everyone did his best trying to win and we feel the season was a success.

Coach gives a few pointers.
