THE Scarlet Eleven under the leadership of Clifford Wolff witnessed a fairly good season.

May the brilliant playing of the fighting eleven be looked to the coming season.

The seniors who have shown their work in this past season will be greatly missed. May they carry on their work to other schools. The Park has been looking forward to defeating Rutherford. We hope our next season will fulfill our wish.

Those who received their letters this season were: Rudolf Pfeiffer, Clifford Wolff (captain), Robert Reading, Victor Spurduto, Joseph Zanghi, Robert Huggard, Berge Aslanian, Robert Crowl, Richard Merkle, Warren Struckman, Morris Friedman, Ernest Reis, Thomas Krone, Arthur Morrison, Harry Morrison, Rudolph La Boves.
