## TO PICTURE-LOVERS

**I**F you are interested in pictures we wish you would visit our galleries with the same freedom as you would the Academy of the Fine Arts.

We have a representative collection of the best things in the artistic world,—of paintings, water-colors, engravings, etchings, prints in colors. As members of the British Print Sellers' Association we offer the latest publications on the day that they appear in London.

In addition to the modern school we have old prints and etchings of great variety and beauty; French line- engravings; English color-prints after George Morland; old copper-plates by Dürer; etchings by Rembrandt.
