Workers at the farm feel Rudy is sticking close by, but just hasn't made up his mind to return home for good. The animal has been on his own for 2 weeks and has lost his antlers in the interim.

Al Zulli of 808 Seventh Avenue, River Edge, said he saw two men carrying antlers after a scuffle Wednesday in some brush near Wales Avenue, River Edge. Zulli said the deer appeared without its antlers and the two men came along afterward carrying antlers. Zulli believes the two men grabbed Rudy by its antlers, and the deer raced away.
