Denniston Averill KIA 20 Dec 1944
Samree, Belgium

Posted: 9 Jul 2008 1:40AM GMT

Classification: Query

Surnames: Averill

wwjohnston (View posts)

I am the webmaster and web historian for the US 7th Armored Division. I would like to contact the family of Denniston Averill of West Englewood, NJ, who was killed in action 20 December 1944 at Samrée, Belgium, while serving as a 1st Lieutenant commanding a platoon in Headquarters Company of 7th Armored Division Trains.

He left a wife and a daughter, who may have been born after he was killed.

He is listed on my web page of 7th Armored Division Trains deaths (<http://www.7tharmddiv.org/trnddeath.htm>), but I have additional information about him that is not on the web page.

Greetings, I am Danielle Averill, the Grand daughter of Lt. Denniston Averill. My father is Denniston Averill II & was the son of Lt. Denniston Averill, who was decorated & died in Belgium during W.W II. My Grandfather Lt. Denniston Averill never knew his son, as he died in the war. My father was 6 month old when he died. He had only one child, a son. My Grandfather received the purple heart, silver star, bronze star, medal of France & medal of Belgium for his bravery & gallantry against overwhelming odds in Belgium. I have in my possession an extensive amount of information regarding his gallantry & action in the Battle of the Bulge. Please feel free to email me, should you need any information for your historical records.

Kind Regards,
Danielle Averill
