

Teaneck Boy, 4 Times Runner-Up, Gets An Appointment To Annapolis

William R. Ayers of Teaneck, who attended the School of Ten, naval preparatory school in New York, four times previously had won alternate appointments to Annapolis and West Point, today was given the principal appointment to the Naval Academy next year. It was announced in Washington by Representative Harry L. Towe of Ruthersford.

Ayers, who is 18 years old and the son of Mr. and Mrs. Charles F. Ayers of 630 Johnson Court, is presently attending Rensselaer Polytechnic Institute at Troy, N. Y., as a member of the Naval Aviation V-5 program. He entered R. P. I. in September and will continue his studies there until next June.

Towe announced that Ayers was high man among those who took his examination for the Naval Academy. In 1942 Ayers had four alternate appointments, two by Senator Smathers, one by the late Senator Barbour, and the other by Representative Osmer. Three were to Annapolis, the other to West Point. In each case, however, the principal appointee passed the entrance requirements.

Ayers was graduated from Teaneck High School in 1941 and later

attended the School of Ten, naval preparatory school in New York.
