

## Popularity Poll Results Talled

Alice Omohundro and Walter Kennedy have won top honors in the Popularity Poll conducted by the Junior Te-Hi News.

The ninth grade students have voted five titles to both Alice and Walter. Alice shared two of them, Best Personality and Best Natured with Bob Harris. Joe Skinner, Dick More and Alan Johnson carried off honors with Alice for Most Popular, Best Looking and Best Dancer, respectively.

The honor of Neatest was given to Pat Murray and Walter Kennedy, who also was voted the having the Most Brains which he shared with Alice Weinaug.

Verlaene Sitter came up with the second-highest number of titles Most Capable, Most Courteous and Most Capable, all of which she shared with Walter.

Alice Omohundro was quizzed for her reactions when she found out that she won the most titles.

She said, "It was embarrassing more than anything." Her favorite actress and actor are Ingrid Bergman and Cornel Wilde. She says Barbara Piper is the comedian she likes best.

Commenting on the class she likes best and the student she likes best is the Junior High School. She said, "The expression she likes best is 'Are you kidding?'"

Verlaene is on the Student Council, a reporter on the Te-Hi News and in the Literary Club. She says that she is a singer and can play the piano.

Verlaene's friends, Chet Brown and Doris Kay are, according to Walter Kennedy, the like most other students in the school. Walter likes Chet because he is smart, and green basketball, and because she also likes him with him.

Walter is the President of the Student Council on the Assembly Committee and the Junior High basketball, baseball, and soccer teams.

Barbara Piper, who was voted Wildest and Most Happy-go-lucky, doesn't have a favorite saying, but is interested in boats.

Gregory Peck and Ingrid Bergman are the actors and actresses she likes best on the screen, and John Papp is her favorite teacher. Babe is a roofer for the New York Yankees and likes the color navy blue. Pinky Lee is her comedian and football is her favorite sport. Barbara enjoyed the Black Book.

Dick More, better known as "Handsome," was deeply humiliated in a plate of something when interviewed, so his views might be slightly altered by the influence of the cafeteria.

Dick says that he likes the color green, the band of Artie Shaw, and "Dancing in the Dark" (the song that is). Scrambled eggs constitute his food preference, and on the screen he likes Stanlaugh Scott and Gloria DeHaven. His favorite movie is "The Blue Heeler."

When Bob Harris was asked how he felt about being voted the Best Natured Boy in the ninth grade and the one with the Most Personality, his answer was typical of him. "Just lucky," was his reply. "I guess someone must have paid the kid." "The kid" will probably deny this strongly.

Bob has no favorite expression, but his nickname "Boo Boo" ranks among the best of high school "handles." As for other likes, he prefers the color blue, meatballs and onions, and Spike Jones' Orchestra. His favorite song is "In Love." His favorite (groan) is his pet puppy, but otherwise he loves the world, match.

## Cast and Committees Chosen For Ninth Grade Graduation

The pageant, "All in Good Time," the story of a high school boy who finds hope for the future through the revelation of the past, will be presented at the ninth grade graduation Tuesday, June 13.

### Showcases Featuring Hobbies, Rocks, Food

Varied fields of interest are presented in the showcases to be seen in the Junior High School this week.

One of the most interesting in the display entitled "All in Good Time" Model airplanes, a model strip by Bruce Wein, a model helicopter, photographs colored by Marie Tapken, an "image" a painting by Jim Mulholland, stamps from the collection of Carol Krug, book match covers, and old-fashioned post cards are featured.

The sports showcase on the first floor is called "The Good Old Summer Time." The activities and sports of the summer, basketball, golf, tennis, camping and beach sports are depicted by tiny figures against backgrounds painted by Betty Anderson.

"Summer Foods, Garden Fresh" is the title of the month-long showcase near room 218. Bright pictures of fruits and vegetables as well as booklets regarding food are to be seen.

Arrangements from the Book End of the school collection and from the collection of several students of high art case and room 218. The exhibits have been gathered from everywhere from New Jersey to California and Uruguay. Necessary equipment and several books on the subject are in the case.

## Dedication of Tree To Frank McClelland

Classrooms were vacated on Tuesday 7th period, May 22nd, so that the Junior High School students could witness the dedication of a tree donated to the school by the Junior Student Council.

First on the program was the ritual, "America the Beautiful" sung by all and "Trees" by the choir. Verlaene Sitter gave a speech about the origin and meaning of Arbor Day. "Significance at Forest" was the title for the speech given by Mr. Leonard Smallbeer.

This year the tree was dedicated to Frank McClelland, the first Junior Student Council President of Tausch High School. After the dedication and presentation Mr. Charles Edden made an acceptance speech. John Haeckler read verses from Genesis.

The program was concluded with the singing of The Alma Mater.
