Teaneck High School to Raise \$54,000 in Victory Bond Drive

Teaneck High School's quota in the Victory Loan Bond Drive to be held from October 30 to December 8 is \$54,000. This was announced by Miss Florence Reiff, chairman of the Bond committee, who explained that each homeroom would be asked to raise \$1,500 or raise \$3,000 between two homerooms.

Tomorrow's assembly will be dedicated to the Bond Drive. Hal Hulse, president of the Student Council, will give a short talk about the Council's part in the campaign. A series of slides will show how the funds from the Bonds will be used. Following this a radio play, "Letter from a Soldier," will be heard. The band will play and Honor Roll. After lunch, the school will give a short variety show in the interests of the drive.

The drive of the 4th Bond Drive is "Speed His Recovery." The campaign will aid our Purple Heart veterans to win back their health. The schools are working to buy hospital equipment through the purchase of Bonds.

An estimate of the cost of building and equipping hospital facilities for the many aches of the buildings, kitchen and medical supplies was found to be near \$8,000. A panel will be placed on a wall for each \$3,000 raised. In order to "To speed your recovery" names of home rooms, club students and teachers of Teaneck High School, Teaneck, New Jersey, have been successfully completed.

And during campaign to help finance the hospital facilities you are using. If you will send your name and address they would like to write to you. The \$8,000 will be divided among thirty-five homerooms to pay for equipment, and Mr. Carter's homeroom alone will attempt to raise the money for the rest.

Leading and directing the drive will be the representatives of the Student Council. Each homeroom president will bring home sales to the Service Desk every morning during the campaign to the Teaneck Theater will be given with the sale of each Bond.
