

Tech. Sgt. Dunlap in Far Eastern War Zone

Garland M. Dunlap, outstanding Teaneck athlete, has been promoted to technical sergeant, somewhere in the China-India-Burma Theater, where he has been serving for the past six months.

Attached to a quartermaster unit located along the Lodo Road in the heart of the Indo-Burma jungles, the young soldier has been actively engaged in combating the Jap invader, for which he has been awarded a bronze star. He also wears ribbons from the European African Theater and the Asiatic Pacific Theater.

Prior to his entry into service he spent a year at Florida A. & M. on a scholarship. Bergen County sport fans will always remember the lanky soldier who excelled in football, basketball, baseball, and track, during his school career.

While at Teaneck High School he was selected all-county end. He holds the State record for the broad jump, and has also recorded the best time in the 220-yard dash, establishing a Northern New Jersey Interscholastic League record. During his senior year at Teaneck he was awarded a trophy for being the outstanding athlete.

Sergeant Dunlap is the son of Mr. and Mrs. Garland M. Dunlap Sr., of 32 East Forest Avenue, Teaneck. Mr. Dunlap is probably more responsible for the success of his son as a great athlete than any other person. Ever since young Dunlap was old enough and big enough to walk, his father spent hour after hour for many years, teaching him sports.

John Waldron Graduates

John W. Waldron, Jr., son of Mr. and Mrs. John W. Waldron, 934 Red Road, Teaneck, N. J., will graduate from Wilbraham Academy Wilbraham, Massachusetts, on Sunday, June 4th.

Due to the accelerated program, designated by Headmaster Charles L. Stevens to meet war-time conditions, these are the second graduation exercises held this year. The class of 1944 is the 128th class to graduate from the Academy.

Headmaster Stevens believes that the new accelerated program now in effect at Wilbraham Academy assists greatly in helping students obtain some college training before they are inducted into the service. Boys who complete their secondary school training before entering the service will have an opportunity to return to their college after the war, and complete their education in the professional vocation of their choice.
