

The Hi n Way

On Election day we travelled to Leonia to meet one of the County's best teams. It was surprising! We won, 6—0. A local paper remarked: Teaneck "presented a well drilled machine that kept a step ahead of its favored rival throughout and richly deserved the honors gained."

The next game which was with Lyndhurst, was a battle. We succeeded in keeping the score 6-6 at the half but we were completely outplayed during the second half. The score was 25-6. May we stress that it might have been caused due to the fact that it was the third game played within a week's time and all games required hard playing?

The league title practically ours, we travelled to Park Ridge to officially acquire it. The game was a runaway for us, ending with a 44-0 victory.

Our last game was a charity performance. Not quite satisfied with the 6-0 loss to Englewood, we travelled to White's Stadium to defeat them by a score of 7-0.

In the backfield Allie Rashka, Murray Rothenberg and Larry Sottosanti played quarterback; Archie Thinglestad and Sonny Takala, halfbacks; Wibbie Hughes and Freddy Walther, fullbacks. The line consisted of Harry Weingartner, George Botyos and Wilbur Hawthorne, ends; Hal Shiering and Aurelio Massano, tackles; Chubby Hajar, Seth Huntley and Frank Iorio, guards; Artie Freitag, who captained this year's team, played center.

Murray Rothenberg received honors by being placed on the All Bergen County League first team; Shiering on the second; Hyjar, Huntley and Thinglestad on the third.

In reviewing the season Coach Rea says, "While our athletic achievements have certainly been on the increase and have brought considerable credit to our town and school, still we should also acknowledge and accept the glory and credit due us for developing and maintaining our code of sportsmanship along with victory. With the advent of athletics to Teaneck in 1929, there was much evidence of poor sportsmanship during games. This has almost died out and we can kill it entirely if we stop to consider a visiting team as a guest to our home, and when visiting other homes—decide not to return it if treated badly. We want to win—but why not maintain a good name doing it?"

I want to thank both town and school for their interest, co-operation and help in this and all other of our developments. We need it yet in the next one—the development of our athletic field."
