# The 1936

## Baseball

THIS year Teaneck had the longest baseball schedule since the beginning of the Teaneck High School history. There were twenty-four games played. Teaneck started its season against the Alumni on April 11.

This year Teaneck had four letter men return. They were Strich, Tucker, Pinkham and Varnum. There were, also, Scott, Raush, and Mickolasy back from last year.

From the junior high of last year there were Hardy, who did a good job at the mound, and MacMasters, who held down the hot spot between second and third.

This year the team lost Coach Wright because he is a teacher of the Junior High School, but they will have "Red" Diedrick.

Scott held down his old job at first while Tucker took on second and Strich went back to third alternating with the pitching staff. Varnum, Hardy, Pinkham and Cancro were the battery for this year's Hi-waymen.

As the year book goes to press the season is not complete enough for us to carry a full story on 1936 Baseball.

The Sports' Editors, however, predict some definite "successes" due to Mr. Salerno's coaching—We suggest that you write in the scores (if you want to keep them) on any available space left on this page.

## Track

THE Blue and White track teams of former years have all been strong, and from all early season indications, the 1936 team will be no exception.

As this edition of the Hi-Way goes to press in late April, we have the results of the first three meets only. In their opening meet, against Ridgefield Park, the Hi-waymen utilized their power in the running events to win by a 57-38 score. Meeting Lodi and Saint Cecilia in a triangular meet, the Teaneck Tracksters won by a decisive margin —scoring 60 points to 21½ for Lodi and 26½ for Saint Cecilia. Nyack offered little opposition to the Rambo men in the next meet, going down to defeat by a 55-26 score.

The inter-class meet ran true to tradition—the seniors winning by a rather large margin.

Six letter-men formed the nucleus of the team. Captain Ted Smith and Warren Hotmer competed in the dashes, Harvey Bower and Johnny Morrison in the distance runs and Bob Mohn and Ed Welsh in the pole vault and high jump.

Seniors on the squad included: Ted Smith, Warren Hotmer, Bob Mohn, John Morrison, Harvey Bower, George Loman, Ed Welsh, Cliff Curtis, Stan Galvin, John Kahrs, Ken Koenig, Don Keyes, Art Tyler and Bill Lewellen.
